If your Parent Association is in a county without a NPC County Branch you can register your Parent Association to become a member of the NPC Combined County Parents’ Association Group.

This group may nominate parents to the NPC Assembly to represent their views. Through this group parents exchange ideas about children’s education, share experiences and discuss educational issues of importance. The group channels the views, ideas and concerns of the parents to the National level through their elected Assembly members. Members of this group can also be supported by NPC to establish county branches in their area.

Please tick this box to indicate registration to the NPC Combined County Parents’ Association Group
